

Dual B Outdoor | Double-Sided Outdoor Display

Double-sided display stand with an aluminum click-clack frame and a base that can be filled with water or sand for outdoor use. Equipped with a handle and wheels for easy transport. This type of display stand is designed for outdoor use, especially for advertising and promotions, whether temporary or permanent, new product launches, or for businesses that want to display menus, offers, or services. It is ideal for providing directions at events, trade fairs, exhibitions, hotels, museums, and shopping centers. High stability thanks to its robust structure; it is weather-resistant and does not tip over easily. A transparent protective panel for the graphic insert is included.
